

# Booster Club

## Happenings

### Save the Date!

Mark your calendars now! The Columbus Catholic golf outing will be held **Saturday, August 7th** at Marshfield Country Club. This year's Homecoming festivities will be **Saturday, October 2nd**. Watch your mail this summer for more information on both events!

### Treadmills

#### Keeping our Kids in Shape!

The Booster Club is proud to announce that it has purchased and donated 2 treadmills to the workout room at Columbus High School. Combined with previously donated treadmills, this brings the total to 6 available treadmills in the workout room!

## Gym Floor Resurfacing

Ever wonder what it takes to resurface a gym floor? Well, we're going to find out exactly what's involved this summer! From August 2nd through August 20th, the Columbus High School gym will be closed for resurfacing. This \$24,000 project will be made possible by several generous donors in conjunction with funds from the Booster Club.

Stalker Flooring, out of Sheboygan, WI, will be traveling to Marshfield to complete the job. The resurfacing, last performed in 1997, is quite a task. First, the entire gym floor will be sanded. Next, all the boards in both free throw lanes will be replaced. Stalker will also examine every other board in the floor and replace any broken or damaged boards as the current floor has several dead spots which are the result of damaged boards.

Once the repaired floor is in place, the entire floor will be resurfaced and painted navy blue and white.

While the exact paint job and design hasn't been determined yet, several options, such as painting the lanes or painting the inside of the three point arc, have been discussed. Despite the painting specifics not being finalized yet, we do know that the center circle will be replaced by the Columbus Dons logo and the baselines will be repainted.

You'll need to be sure to come to Columbus High School this fall to support your Dons and to see the finished project!

## Youth Basketball Uniforms

Through a generous donation by Marshfield Clinic, the 4th—8th grade boys and girls youth basketball teams will be receiving new uniforms next year.

In addition to purchasing a Gold level Booster Club membership, the Clinic has committed to providing funds for the new uniforms next year. Although the

final design and style of the uniforms has not yet been selected, they will sport the Marshfield Clinic logo in recognition of the generous donation. All teams will receive both uniform tops and bottoms.

This donation comes at a great time as our current uniform tops are getting up there in age and are in

need of replacement. The addition of uniform shorts along with the new tops will allow our ever-growing youth basketball program to proudly represent our school in a consistent manner.

Additionally, the donation will provide basketball camp and Dribbling Dons t-shirts for the next several years.

## RICH SEUBERT'S Celebrity Trap Shoot

Rich Seubert's Celebrity Trap Shoot was held on April 17th, 2010 at the Eau Claire Rod & Gun Club. For the second year, MACS was a "House Sponsor" of the event. Funds for this sponsorship were acquired through a MACS "jeans day" and a loose change drive held during all home varsity basketball games. We are proud to be a sponsor of this worthwhile event and to show our support for Rich and his charity.

## MEMBERSHIP Corner

Gold Members: 17  
Silver Members: 15  
Blue Members: 20  
White Members: 10

We are now accepting memberships for the 2010-2011 school year. If you are interested in becoming a member of the Columbus Catholic Booster Club, contact Sharon Mushel at 715-389-1379 or [mushelsh@charter.net](mailto:mushelsh@charter.net).

## This Month's Booster Club Question

### Q: What Varsity sports are offered at Columbus High School?

A: Columbus High School offers many varsity sports to suit the needs of all of our athletes.

#### Fall Sports

- Cross Country
- Football (co-op with Spencer)
- Soccer
- Girl's Tennis

- Volleyball

#### Winter Sports

- Boys & Girls Basketball
